Dear Ro 80 fan, you can save time or even money by using Direct Debiting!

This type of payment is already a routine in many day-to-day affairs, and therefore we also join this trend and propose direct debiting for your annual club contributions and the purchase of spare parts. The annual general meeting has agreed to use this system exclusively. New members are only accepted if they agree to this procedure, and more than 90% of our present members have already opted for it. This method of payment has a number of advantages:

- you need not fill in a payment form and send it to your bank
- you can't miss the due day for a payment and do avoid a possible reminder (and its cost)
- you facilitate our work,

and therefore we ask you not only to fill in the membership form but also the mandate underneath.
